Part 1: Finding and Recording Information

Part 2: Using the Information

On this Assignment, I want you to become comfortable taking notes from the internet. Therefore, I have made a Note-Taking Worksheet.

If you like, [see Sample Notetaking Worksheet](#) on a practice topic:

Your Task: Find 3 websites to download music from & figure out which one is the best choice for you. I have done a sample for you.

Use The Notes to record pros & cons on each site. In the Summary, tell which site is best for you and why.

To search for good music downloading sites, go to a good search engine & type in the keywords you think will help. I like using
